1.

This is a Household Budget Question.

Answer all parts of this question:

- (A) On *page 9 of Section A* is a partially completed summary of the Dwyer household budget for the months July to October 2015. You are required to complete this budget by entering the appropriate figures into the '**Total**' column and the missing figures for '**Total Outgoings, Net Cash, Opening Cash and Closing Cash**'.

On 1 July 2015 the Dwyer household expects to have cash in hand of €596.

(11)

- (B) Answer the following questions in the spaces provided *on pages 9 & 10 of Section A*.

- (i) What is a budget?
- (ii) Outline **two** reasons for preparing a budget.
- (iii) Name any month the Dwyer household plan to have a deficit **and** the amount of the deficit.
- (iv) Suggest **one** way of overcoming this deficit.
- (v) Did the Dwyer household plan to live within its income for the period July to October 2015? Give **one** reason for your answer.
- (vi) Answer the following question in the space provided *on page 10 of Section A*.

The Dwyer household owns a five year old car. Show, by ticking (✓) the correct box, whether the following expenses would be classified as Fixed, Irregular or Discretionary in its household budget:

NCT Fee

Diesel

New Alloy Wheels

Car Service

(21)

- (C) On 16 June 2015 Sinead Dwyer paid the car insurance premium €545 to Dingle Insurance Ltd by cheque. As the cheque was sent by post she decided to make it as safe as possible.

Complete the Cheque and Counterfoil on *page 11 of Section A*.

- Excise Duties
 - Debt Servicing.

(27)
(40 marks)

For use with Section B - Question 3 (B) (i)

(B) (i) Draw a bar chart to show the expenditure.

4. **This is a Consumer and Insurance Question.**

Answer all parts of this question:

Brendan Mitchell will be returning to Ireland on 1 July 2015 to live at The Quay, Arklow, Co. Wicklow. He is trying to decide between two electricity companies for his new home. After researching Electric Saver and Electric Power he provides the following information:

Details	Electric Saver 	ELECTRIC POWER 
Standing Charge	€10.50 per month	€10.90 per month
Unit Rate	€0.1701 per unit	€0.1715 per unit
Discounts	15% discount on electricity used	20% discount on electricity used
VAT	13.5%	13.5%

- (A) Brendan expects to use 400 units of electricity each month. Calculate the total cost per month for **each** company. (Show your workings.) Which company would you advise him to choose? Explain your answer. (12)
- (B) He contacted his friend Gerry Murphy, The Square, Rathdowney, Co. Laois seeking his advice on purchasing home insurance.

Draft a letter, using today's date, written by Gerry to Brendan explaining the principles of insurance which apply when purchasing insurance. (20)

- (C) Examine the following signs displayed in a sports shop:

- (i) Name the consumer law that applies in **each** case.
- (ii) State the relevant principle of consumer law that has been broken in each case.
