TIME TO THINK — *Do we give enough time to thinking about the meaning of life?*

Last week when I was walking home from school, the wind grew so strong that it forced me to stop where I was standing and notice the leaves falling from the trees. The colours and sounds of nature made me think about the beauty of the world and my place in it.

Sometimes I like to listen to music and sit on the beach looking out to sea, thinking about my life.

I find talking to God and praying about the things that matter in life helps me to make sense of my life.
